CYBERLIGHT™

TrueSpot® Reflector:

- Precision spot
- Useful beam pattern

Cyber Light™ Series:

The 190 Lumen – 4AA LED Cyber Light™ Flashlight takes advantage of leading technology with its TrueSpot® Reflector system that gives you a 275 meter beam of light.

The LED Cyber Light™ uses the highest strength plastic and rubber materials for the housing, and contains a polycarbonate lens making it incredibly durable. The sealed rubber booted push button switch provides ease of use. The flashlight is o-ring sealed against dust & moisture ensuring weather resistant design capabilities.

The LED flashlight has a convenient nylon wrist lanyard for added portability added storage needs.

The 190 Lumen – 4AA LED Cyber Light™ Flashlight comes complete with 4 AA cell batteries, allowing for 5 hours of continuous use.
