

# Wiss® Cutting Tools

Wiss® products have been earning their reputation for craftsmanship and long life since 1848. One result: Wiss has been the market leading “call-out brand” for aviation snips for over 50 years. The wide product line includes scissors, industrial shears, utility knives, siding and HVAC tools... all with famous Wiss quality built in.

**AVIATION SNIPS**

Machined tip for puncturing

Our free-floating active pivot bolt, the backbone of the snip, keeps the jaws positioned together tightly long after the other guys' jaws have separated and failed to get the job done.

TEST PROVEN  
**LONGEST LIFE**  
PIVOT BOLT

Our proprietary serration wave geometry, possible only with the consistent metallurgical composition of cast blades, provides more aggressive shearing action and longer blade life.

Cast Consistency	Forged Variation

Non-slip, textured grips for superior control, safety and comfort

Convenient protective safety latch

Grip horns maximize control and safety

Handles color-coded for ease of identification

Convenient hang-up hole

Our valve-grade steel return spring, proven longest-lasting in extreme testing, provides trouble-free cutting and superior durability.

TEST PROVEN  
**LONGEST LIFE**  
SPRING

**INDUSTRIAL SHEARS**

Hot drop-forged polished blades, safely rounded for extra protection

Forged from high carbon steel

One blade ground to knife-edge for faster, cleaner, and easier cutting of tough synthetic fibers

SET-EASY pivot

Unique, high leverage handle design allows for cutting extra thick or tough upholstery, carpet and fabric

Red cushion grip handles provide maximum leverage
